

This is a written testimony of my salvation in Christ

My name is Chris. Christ saved me at a somewhat young age. I grew up knowing about the Bible and God. I had often thought about what happens if I die as a child and was not sure if I was going to heaven or hell. I had gone to church, and Sunday schools from a really young age and knew God loved me and had heard the bible stories and that Jesus died for me. I believed there was a God when I was growing up. One day I was approached by a person with a bible in my neighborhood. He showed me verses in the bible that spoke about repenting and asking Christ in my heart. I prayed with him and Christ saved me that day. I repented for my sins and confessed that I was a sinner and ask Christ to save me.

Christ has guided my heart from then on, and has been with me through many trials in life. I have grown in Christ over many years. Knowing Jesus and repenting when I fail has shown me the unbelievable grace Jesus has for us if we only call to him. I do not claim to have figured it all out, or that I do not sin anymore, but am always growing closer to Him as I learn and seek Him. 1John 2:1 comes to mind, that if any man sin, we have an advocate with the Father, Jesus Christ. I am so thankful to have Jesus Christ, the Comforter with me. I don't know what I would be doing today if I had not been saved by our Creator. I thank Him daily, even in the times that we are living in today. When I find myself in a hurtful situation or am suffering for following the Word of God, There is still a great comfort in having Christ with me. And I am growing in Christ who shows me how to handle situations that come with seeking Christ's path.

Though Sanctification I hope that I can be a light for Jesus Christ in my daily walk and show others the way to salvation.
