

Rusti's Testimony

I would like to give my testimony on how I became a Christian. I was born into a wonderful Christian family. I have always been glad for Christian parents. We were in church every time the doors were open. My whole life revolved around our church. There was something missing in my life though, I would look at the Christians in church and realized I didn't have what they had. I had a Vacancy in my life. I went on and got married and had a family and realized I needed to get my family in the church. I wanted my children to be raised with biblical principles. So I started going back to church but I still felt the same way. I still had that vacancy in my life and I was not really happy. So one night I was listening to Billy Graham. I got down on my knees, I repented and ask God to forgive me of my sins. I told Him that I wanted to live a life for Him. The next morning, I was outside and the grass was greener the sky was so blue! All of a sudden, I wanted to be in church and praying with the Christians because I was one of them! I knew now I had eternal life!
